45 Years before the Public. THE CENUINE DR. C. McLANE'S LIVER PILLS are not recommended as a remedy "for all the ills that flesh is heir to," but in affections of the Liver, and in all Bilious Complaints, Dyspepsia, and Sick Head-ache, or diseases of that character, they stand without a rival. ACUE AND FEVER. No better cathartic can be used preparatory to, or after taking quinine. As simple purgative they are unequaled. BEWARE OF IMITATIONS. The genuine are never sugar-coated. Each box has a red-wax seal on the lid, with the impression, McLANE'S LIVER PILL. Each wrapper bears the signatures of C. McLane and Fleming Bros. Insist upon having the genuine Dr. C. McLANE'S LIVER PILLS, pre-FLEMING BROS., Pittsburgh, Pa., the market being full of imitations of the name McLane, spelled differently, but same pronunciation. OUGHS, BRONCHITIS AND CONSUMPTION What a Well-Known Druggist says about Allen's Lung Balsam, MOTHERS, READ! GRNTLEMEN: The demand for Allen's Lung Balsam is ine reasing constantly. A DEN OF SNAKES. RATTLESNAKES. and Hiram Kirby, made a singular and mutton interest. 22 00 made by a rattlesnake. Kirby, from this breed. who is an old lumberman, having lived his entire life among the 30 00 York, appeared wholly indifferent and breeding stock from the flocks of the best breeders, but it will pay in the rattler and dispatch it. Stepping to outcome, one side of the road in the thick un. This just still basking in the sunshine and sucquarter of a mile when they were again startled by a rattled by a 30 00 rattling noise. Believing there was a snake den not far off, they concluded to change their course somewhat.

They were to the left of the road, and following in the form of a dispatch in the direction of the "Kuob." from Madison, Indiana: Every step they took seemed to bring them nearer to the noise, and they Hills not long since a younggentleman halted, and being tired sat down upon hailing from the Queen City and en an elevated piece of ground to rest. gaged as a clerk in one of our leading While thus seated several rattlesnakes | main cross-street stores. The beauty passed through the brush a few feet of the Hoosier girls was so fascinating in front of them. This aroused the that the aforesaid youth, fresh from 4 00 travelers, for they knew there was no the land where presidential candidates 1 35 longer any doubt that -they were in grow so plentifully-at once became close proximity to a snake den. Step-ping to the edge of the knoll and His young heart went out, as it were, looking toward the bottom, a sight, day by day, until he became so deeply the like of which had never before enamored that his misery was unbearseen, met their gaze. Coiled upon able, and the cruel and unrelenting stones and sticks were scores of rat- parental objection (he being of tender tlesnakes. Cortright, who had a years) weighed so heavily upon his bitter dislike for snakes, suggested to mind that he sudden'y disappeared his companion that they re- from our beautiful little city, whither trace their steps and leave the no one knew. snakes undisturbed. Kirby, howev-16 er persuaded his companion to open a dulcina also left the home of her warfare. They gathered a heap of youth and her native city to follow in stones and opened the battle. With the wake of him to whom her young the dropping of the first stone among heart had already gone out, and for a the reptiles, the noise and din that short time nothing was heard of either. went up was almost deafening. The After a sasson there came occasionally two lumbermen contintinued to pour a rumor to the city how they were ena volley of missiles into the den, un-til what snakes they had not killed made one flesh, and their happiness had made their escape into the rocks was supreme. But, also, how soon and underbrush. The victors then could all this happiness and contentgathered up the dead snakes. The killed numbered eighteen, measuring from 3½ to 5½ feet in length. Cortright and Kirby then proceeded on ago, from the great west, a couple their way home. The above den was bearing a very strong resemblance to an old and noted one, being the one the parties mentioned above at which the late "Sam" Holms, a in a rather forlorn condition, celebrated snake tamer, used to cap-ture many of the reptiles he exhibited short of funds in St. Louis; disposing throughout the states. Many are of most of their valuables succeeded killed at this den every summer.

2 75 Though fine creamery butter, made

2 25 from the best butter cows, and treated

2 25 from the best butter cows, and treated by the young man he pleading the Though the best butter cows, and treated in its manufacture with the greatest of care and neatness, and manipulated and handled with the most approved dairy implements, is doing so well, inferior qualities of butter made in the old way, and poor, common or inferior stock are a drug in the market at less than one-quarter the price. A few years ago much of this butter would have been accepted as good enough for the table. This shows a very great what agriculturalists are to do. They 11 00 for the table. This shows a very great | what agriculturalists are to do. They and producers this sesson from the value in the market, and is difficult production of inferior butter. If the to be got at all except under special

an improvement in the breed of our cows, and by the great improvement in dairying implements, in the care and handling of milk as it comes from the milker to its final results in the form of the golden butter ball. The old methods are things of the past, and it is only by modern and improved methods that we can succeed in making his best market in the world, viz and it is only by modern and improved methods that we can succeed in making his best market in the world, ever seething with

The improved breeds of poultry have made poultry raising profitable on the farm, the increased numbers of good layers have increased our supply of eggs from baskets full to car leads, and the large breeds of chickens, turkeys, geese and ducks furnish on important surply of meat which or do not know or wish to know kn brings the highest price per pound of any meat sold on the farm. Notwith-ty of young men ceming on, and by standing the opposition raised ten this time they know the geography of poultry, the profitable feature has overcome the prejudice and the improved breeds are the rule rather to less it, let them stay at home. If than the exception on most of our western farm. The poultry interest has so greatly increased in importance have to go abroad. with the increase of profits that more attention is given to supplying good poultry houses and giving them proper young things, keep them well protected from vermin; clean quarters, clean water, and plenty of clean feed.

When cleaning the perches in the poultry house it is necessary. the top. This is often neglected, and the lice gather there. Everything about poultry management should be thoroughly done to avoid failure. It is very desirable, in raising chickens for market, to have some of them come early, as the difference in price realized for the early ones will

pay for the extra trouble, if we but understand the necessary requisites of If there is one error more apparent than another, it is that of allowing too many fowls to run and roost together. Cotawold Sheep

Prairie Farmer.

The present prices of wool and the increasing foreign demand for mutton have very naturally given to the sheep interest a fresh impetus. Farmers who paid hitherto little or no attention to sheep have added this branch of husbandry to their live doi:
